1. APPLICABILITY

These Conditions of Sale will apply to the Purchase Order to which these Conditions of Sale are attached and issued by Buyer to purchase any **product or service ("Product")** from **Goodrich Corporation** ("Seller"), whether or not referenced in the Order. Except as provided in the "Buyer's Orders" section below, all provisions on Buyer's purchase order and all other documents submitted by Buyer are expressly rejected. Seller will not be deemed to have waived these Conditions of Sale if it fails to object to provisions submitted by Buyer. Buyer's silence or acceptance or use of Products constitutes its acceptance of these Conditions of Sale. Any modification or addition to these Conditions of Sale must be in writing and signed by an authorized representative of Buyer and Seller. Seller reserves the right to reject any Order submitted for its acceptance.

2. BUYER'S ORDERS

Orders may specify: (1) Seller's Product part number; (2) requested delivery dates; (3) applicable price; (4) quantity; (5) location to which the Product is to be shipped; and (6) location to which invoices will be sent for payment. Orders are subject to acceptance by Seller. Seller's order acknowledgment will not constitute acceptance. Any additional or conflicting terms on purchase orders will not apply unless specifically agreed to in writing by Seller.

3. DELIVERY

Delivery terms are FOB ORIGIN. Seller will schedule delivery in accordance with its standard lead time unless: (1) Buyer's Order requests a later delivery date; or (2) Seller agrees in writing to a separate delivery date. If Seller prepays transportation charges, Buyer will reimburse Seller upon receipt of an invoice for those charges. Title will pass to Buyer when Seller places Product at the disposal of Buyer at Seller's facility. Seller reserves the right to quote additional charges for any special routing, packing, labeling, handling or insurance requested by Buyer.

4. ACCEPTANCE

Buyer will inspect Product within a reasonable period after delivery not to exceed 10 calendar days. Products will be presumed accepted unless Seller receives written notice of rejection explaining the basis for rejection within the same timeframe. Seller will be afforded a reasonable opportunity to repair or replace, at Seller's option, rejected Product. Following initial delivery, the party initiating the shipment will bear the risk of loss or damage to Products in transit. If Seller reasonably determines that rejection was improper, Buyer will be responsible for all expenses caused by the improper rejection.

5. CHANGES

Buyer may issue a written change order to request changes within the scope of these Terms & Conditions including, without limitation, changes to Statement of Work. Such requests are subject to acceptance by Seller. Within a reasonable period of time after receipt of Buyer's written change order request, Seller will inform Buyer if the change will cause an increase in Seller's costs or time required to perform. The change will become effective, and Seller will commence performance, upon execution of a contract amendment. Unless otherwise agreed in writing, upon performance of the change order Seller will be entitled to invoice Buyer for the costs of the change, even if Seller agreed to proceed with the change prior to execution of a contract amendment.

6. PRICES AND PAYMENTS

Prices for each Product are set forth in the Purchase Order, stated in United States currency. Seller reserves the right to correct any inaccurate invoices or errors in catalog prices. Payment terms are net 30 calendar days from date of invoice. Payment must be made in United States currency. Seller may without notice modify or withdraw credit terms including, but not limited to, requiring advance payment, guarantees, or other security. If Buyer is delinquent in its payment obligation to Seller, Seller may upon written notice to Buyer

withhold future shipments and/or services until all delinquent amounts and late interest, if any, are paid. If delinquent amounts remain unpaid 30 calendar days after such written notice, then Seller may at its option: (1) declare Buyer's performance in breach and terminate any Order; (2) repossess Products for which payment has not been made; (3) withhold performance until all delinquent amounts and late interest, if any, are paid; (4) deliver future shipments on a cash with Order or cash in advance basis; (5) charge interest on delinquent amounts at a rate of 1.5% per month or the maximum rate permitted by law, if lower, for each month or part thereof; (6) charge storage or inventory carrying fees on Products; (7) recover all costs of collection including, without limitation, reasonable attorneys' fees; (8) if Buyer is delinquent on a payment schedule, accelerate all remaining payments and declare the total outstanding balance then due and owing; or (9) combine any of the above rights and remedies as may be permitted by applicable law. The above remedies are in addition to all other remedies available at law or in equity.

7. SETOFF

Buyer will not set off or recoup invoiced amounts or any portion thereof against sums that are due or may become due from Seller, its parents, affiliates, subsidiaries or other divisions or units.

8. EXCUSABLE DELAY OR NONPERFORMANCE

Seller will not be liable to Buyer for any failure to meet its obligations due to any cause beyond its reasonable control including, but not limited to: government embargoes or any other government acts that interfere with performance; blockades; seizure or freeze of assets; delays or refusals to grant an export license or the suspension or revocation thereof; fires, floods, severe weather conditions; any other acts of God, quarantines or regional medical crisis; labor strikes or lockouts; riots, strife, insurrection, civil disobedience, armed conflict, terrorism or war, declared or not or impending threat of any of the foregoing, if reasonably expected to cause injury to people or property; and shortages or inability to obtain materials or components. The due date of any performance affected by such an event will be extended by the period of time that Seller is actually delayed. If the inability to perform continues for longer than 6 months, either party will have the right to terminate the affected Order by providing written notice to the other party

9. CANCELLATION

Buyer may cancel any Order or portion of an Order by giving written notice to Seller specifying the detailed reason for the cancellation if: (1) Seller fails to correct a breach of these Conditions of Sale within 90 calendar days of written notice from Buyer of the breach; or (2) any insolvency or suspension of Seller's operations or any petition filed or proceeding commenced by or against Seller under any state or federal law relating to bankruptcy, arrangement, reorganization, receivership or assignment for the benefit of creditors.

10. DISPUTES

Any dispute arising out of a Purchase Order, including the breach, termination or validity thereof, will be finally resolved by a sole arbitrator in accordance with the CPR Institute for Dispute Resolution Rules for Non-Administered Arbitration then currently in effect. The arbitration will be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1-16, and judgment upon the award rendered by the arbitrator may be entered by any court having jurisdiction thereof. The place of arbitration will be New York City, New York.

Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. 11. APPLICABLE LAW

The United Nations Convention on Contracts for the International Sale of Goods, 1980, and any successor thereto, will not apply. Any suit must be brought in a state or federal court sitting in New York City, New York, U.S.A., and Buyer and Seller irrevocably consent to personal and exclusive jurisdiction and forum of, and agree to be bound by any judgment and orders rendered by, these courts.

12. LIMITATION OF LIABILITY

Seller's liability for damages arising out of or relating to an Order is limited to the contract price for the specific Product that gives rise to the claim. IN NO EVENT WILL SELLER BE LIABLE FOR ANY INCIDENTAL DAMAGES, CONSEQUENTIAL DAMAGES, SPECIAL DAMAGES, INDIRECT DAMAGES, LOSS OF PROFITS, LOSS OF REVENUES, OR LOSS OF USE, EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THESE LIMITATIONS AND EXCLUSIONS WILL APPLY REGARDLESS OF WHETHER LIABILITY ARISES FROM BREACH OF CONTRACT, TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE), BY OPERATION OR LAW, OR OTHERWISE.

13. NONDISCLOSURE AND NON-USE OF SELLER'S DATA AND INFORMATION

These Conditions of Sale do not supersede any confidentiality agreement executed by Buyer and Seller that otherwise applies to products, services, technical data or other information delivered in connection with an Order. In the absence of such an agreement, Buyer may use Seller's confidential information only in the normal operation of Seller's products. Further, Buyer may disclose information only on a need-to-know basis, will protect against inadvertent disclosure, and will not disclose information to any third party without Seller's prior written consent.

Seller will defend the Buyer against any suit arising out of any actual or alleged patent or copyright infringement of a valid patent or copyright, to the extent based on the Product as delivered by Seller, and indemnify for any final judgment assessed against Buyer resulting from such suit provided that Buyer notifies Seller at such time as it is apprised of the third-party claim, and agrees to give sole and complete authority, information and assistance (at Seller's expense) for the defense and disposition of the claim. Seller will not be responsible for any compromise or settlement made without Seller's consent.

Seller will have no obligation or liability with respect to: (a) Products provided pursuant to Buyer's designs, drawings or manufacturing specifications; (b) Products used other than for their ordinary purpose; (c) claims of infringement resulting from combining any Product furnished hereunder with any article not furnished by Seller; or (d) any modification of the Product other than a modification by Seller.

Further, Buyer agrees to indemnify and defend Seller to the same extent and subject to the same restrictions set forth in Seller's obligations to Buyer as set forth in this "[Indemnities Against Patent and Copyright Infringement](#)" section for any suit against Seller based upon a claim of infringement resulting from (a), (b), (c), or (d) of the preceding paragraph.

Because Seller has exclusive control of resolving infringement claims hereunder, in no event will Seller be liable for Buyer's attorney fees or costs.

If a claim is made or if Seller believes that a claim is likely, Seller may, at its option, and at its expense, (i) procure for Buyer the right to continue using the Product; (ii) replace or modify the Product so that

it becomes non-infringing; or (iii) accept return of the Product or terminate Buyer's license to use the infringing Product and grant Buyer a credit for the purchase price or license fee paid for such product, less a reasonable depreciation for use, damage, and obsolescence. Further, seller may cease shipping infringing Products without being in breach of these Conditions of Sale.

Any liability of Seller under this "[Indemnities Against Patent and Copyright Infringement](#)" is subject to the provisions of the "[Limitation of Liability](#)" section of these Conditions of Sale.

This "[Indemnities Against Patent and Copyright Infringement](#)" section states the parties' entire liability, sole recourse and their exclusive remedies with respect to infringement. All other warranties against infringement of any intellectual property rights, statutory, express or implied are hereby disclaimed.

Except for the forgoing, the Licensed Software may not be sub-licensed, transferred, or loaned to any other party without Seller's prior express written consent.

Buyer may not either itself or with the assistance of others, make modifications to the Licensed Software including, but not limited to, translating, decompiling, disassembling or reverse assembling, reverse engineering, creating derivative or merged works, or performing any other operation on Licensed Software to recover any portion of the program listing, object code or source code or any information contained therein.

Buyer is responsible for all such taxes, duties, and charges resulting from an Order or Seller's performance, whether or not hereafter imposed, levied, collected, withheld or assessed. If Seller is required to impose, levy, collect, withhold or assess any such taxes, duties or charges on any transaction under an Order, then in addition to the purchase price, Seller will invoice Buyer for such taxes, duties, and charges unless at the time of order placement Buyer furnishes Seller with an exemption certificate or other documentation sufficient to verify exemption from such taxes, duties or charges.
